TRAINING in Falun

All 5km competition course are groomed and open for training. We set two Classic track and space for Skateing along whole course.

Also recreational courses of 5km (yellow), 7km (white/green), 10km (green) and +10km are groomed on natural snow. These are not of highest quality but skiable, best on skateing skis. The +10km loop (marked with white/black) is a 4km extension of the 10km loop on the old competition courses from 80's and 90's and really nice skiing 😊

Competition courses open Monday-Wednesday all day. Work and transport with ski-doo and ATV's may be done.

No access control on course, skiing is open for everyone.

First official meeting is TCM on Friday 27th at 18.00

The organizer of Svenska Skidspelelen wishes you all heartly welcome to **Falun!**
